Art Unit: 3682

Claims 1, 4, and 6-26 are allowed.

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The Examiner agrees with Applicant's arguments, specifically:

"Appellant respectfully submits that claim 1 defines that

- the coupling unit is arranged between the gear unit and the motor unit;
- the coupling unit drivingly connects the gear shaft and the motor shaft.

Thus, the coupling unit is clearly defined as a part separate from the motor shaft since it couples the motor shaft and the gear shaft. The coupling unit that couples the motor shaft and the gear shaft is set forth as a separate element and cannot be the motor shaft itself.

Claim 1 further defines that the at least one cooling unit is arranged in the coupling unit. As set forth above, the coupling unit is defined as a part separate from the motor shaft (it drivingly connects the motor shaft and the gearshaft) and the cooling unit, according to the language of claim 1, is arranged in the coupling unit, i.e. a part that is separate from the motor shaft."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Election/Restrictions

1. Claims 19-26 are rejoined.
